2025 Hiring Prep Sprint – Big Tech Interview Challenge

Official Interview

Are you ready for your technical interviews? We've selected interview questions from top trending companies to help you practice effectively.

Event Time

March 10, 2025 - March 30, 2025 (21 days)

▶ How It Works

- Every Monday, 11 interview questions will be released (from trending big techs).
- Premium users will get 3 additional questions each week.
- The challenge runs for 3 weeks, with a total of 42 questions.
- Only questions solved during the event period will count toward rewards.

© Rewards

Earn LeetCoins based on the number of questions you solve (AC):

- 30 33 questions → 300 LeetCoins
- 34 42 questions → 500 LeetCoins (Only Premium users can achieve this)

The reward can only be earned once. For example, if you receive the reward for achieving 34-42 AC, you will not receive the reward for achieving 25-33 AC. Rewards will be distributed after the event ends.
